Delhi Public School, Howrah

Class- IX

Dear Parents,

As CBSE has introduced **TWO LEVELS OF EXAMINATIONS IN MATHEMATICS** in **Class-X** since the year 2020, hence you are requested to select which level of mathematics your ward will appear for the upcoming Board examinations 2025.

The details of this scheme are as follows:

The two levels of Examination will be held in the subject of Mathematics in the Board examination for Class X in the year 2025 and the same shall not be applicable to the internal assessment in classes IX or X. First level would be the same as the existing one, and the other would be an easier level.

The two levels of Examinations will be: Mathematics-Standard for the usual level of examination, and Mathematics-Basic for the easier level of examination.

The syllabus, class room teaching and internal assessment for both the levels of examination would remain the same so that the students get an opportunity to study the whole range of topics throughout the year.

The Standard level will be meant for students who wish to opt for Mathematics at Sr. Secondary level and the Basic level would be for students not keen to pursue Mathematics at higher levels. Hence students opting for Basic Mathematics will not be able to pursue the subject Mathematics in higher classes although he/she will be able to pursue Applied Mathematics at Sr. Secondary level (The syllabus of Applied Mathematics has been framed by CBSE in such a way that it suits the requirement of Commerce and Humanities students.)

You are requested to fill in the form given below and return it to their respective HRT's latest by 16th June 2023.

Headmistress

UNDERTAKING FROM PARENTS ABOUT SELECTION OF SUBJECT

I, _____, parent of _____ of Class IX Sec____, want my child to appear for Mathematics _____ (Standard/ Basic) in the Class X CBSE Board Examinations 2025.

(Parent of _____)

Class IX Sec____ (2023-24)
